

Commission on Improving the Status of Children in Indiana

Committee: Data Sharing and Mapping

Date: 10/16/20

Summary of Recent Progress: The Data Sharing and Mapping Committee met on September 30, 2020. The Committee welcomed representatives from the Council of State Governments. We discussed with them the information our committee has been gathering and shared with them a spreadsheet used to track the preliminary data gathered from agencies. The Committee continues to meet with agency representatives to update the Info Sharing Guide and did so with DCS and FSSA in September and October.
